ABOUT US

About Us

Building the Kingdom, One Project at a Time.

Zaranco is a Saudi-based integrated solutions provider, delivering reliable services across crane rental, equipment & machinery rental, heavy transport, and general contracting. Backed by a modern fleet, certified operators, and a commitment to safety, we partner with contractors, developers, and industrial clients to keep their projects moving - on time, on budget, and to the highest standards.

From mega-infrastructure to industrial installations, our teams bring the equipment, expertise, and logistics that demanding job-sites require. We operate nationwide, supporting Vision 2030 projects with the precision and discipline they deserve.
